of Tamil Nadu Inaugurates 'BONDS' Centre of Excellence, a first-of-its-kind center dedicated to Dystonia & Spasticity movement disorders at SIMS Hospital, Vadapalani on 29th Oct. 2020

From Left to Right
 Dr. Raju Sivasamy, Vice President, SIMS Hospital
 Dr. U. Meenakshisundaram, Director, Neurology, SIMS Hospital
 Dr. C. Vijay Baskar, Hon'ble Minister for Health & Family Welfare, Govt.

He was initially treated at a hospital in Japan; after which he was referred to SIMS Hospital for further management of his spasticity. Botulinum toxin primarily acts by blocking the release of the neurotransmitter acetylcholine. With the finest combination of experience, expertise, cutting-edge technology and well-coordinated multi-speciality Quaternary care facilities and patient-centric team-work, SIMS Hospital Chennai is committed to deliver services of international standards. SIMS Hospital offers holistic health care that includes prevention, prophylactic treatment and care, rehabilitation and lifestyle health education and guidance to patients, their families and clients.
